Empower Small Business Owners

Small business owners are being bogged down by burdensome regulations from Washington that prevent job creation and hinder economic growth. We must remove onerous regulations that are redundant, harm small businesses, and impede private sector investment and job creation.

Fix The Tax Code To Help Job Creators

America's tax code has grown too complicated and cumbersome. We need a tax code that is flatter, fairer, and simpler to ensure that everyone pays their fair share, lessen the burden on

families, generate economic expansion, and create jobs by making America more competitive.

Maximize Domestic Energy Production

The energy sector is crucial to our economic growth, and high energy costs have a major impact on job creation. We need policies that allow us to harness our abundant supply of natural resources in America, develop new sources of energy, and create jobs here at home. **These bills**

could create 250,000 jobs short term and 1.2 million jobs long term.
